Penny, I agree. We just can't let our foot off of the gas peddle to keep Public Works moving ahead.

Best,
John

In today's Wash Post front page local section (Maryland Edition) is an article on what Scott and I have been telling you about what County Executive Baker is doing to expedite and smooth out the permit system closely working with the Business community to develop it. It is enlightening as it is directly aimed at economic and business development .

Headline:

"Pr. George's leader to unveil plan to smooth permit snags"
