Subject: Note From John Thillmann re: Seven Corners TF Meeting

Gentlemen:

I am sending this email to the TF members that are owners of the major Land Bay's in the 7 Corners study area on behalf of John Thillmann, TF Co-Chair.

This next meeting next Tuesday August 6th will be important for all of us on the TF. The staff will present the unedited summary proposals made by the Charette participants but without any staff or TF filter on an overall plan map and we will have a general presentation by the OCR staff on the proposals sort of Land Bay by Land Bay.

The TF will then discuss the Charrette proposals and give each of the major Land Bay owners at least 12 to 15 minutes to give the TF feedback on your take of the recommendations. So please be prepared to address your land areas based on the Charrette proposals.

If you want to discuss this on the phone with John Thillmann you may call him on 703-927-2017.

Best,  
Aaron
