Dear Seven Corners TF Members:

well, now that we have finished our task and are no longer constituted we no longer have the open meeting rules to adhere to--so as I mentioned last evening I am emailing you with copies of the letters that I have written to Penny and Ed Long the County Executive on behalf of the staff support we received.

It has been an honor and a privilege for me to have served with such a fine group of individuals such as you!

we all started in different places, with different ideas, but we all had a willingness to really understand the issues faced by the 7 Corners area and opened our minds so as to listen to the outside experts who night after night gave us to tools and insight on ways of solving those problems. We came together over the two plus years as a very strong collegial advocacy group and I can't say a more positive thing than to simply state that we all showed a great deal of respect for one another and our individual and shared opinions.

Best,
John T.
