John and JoAnne,

The distribution list below for meeting notices includes the existing Seven Corners Task Force members. In previous conversations, we spoke about including participants of the Charrette in the June meeting outreach. JoAnne, can you please provide me with the list of the additional Charrette participants who have confirmed their participation and any other community members John may recommend so I may forward the agenda to them? I have the e-mail contact information for the participants this office provided so names are fine.

Thanks,  
Aaron
