Subject: Task Force meeting tonight - QUESTION

Hi John,

I wanted to run this by you: for tonight's Task Force meeting, if we get through the Administrative items and the Guiding Principles in a relatively short amount of time, Liz and I thought it might be good to do a short charrette preview in preparation for the 27th. We can bring a copy of the map with the opportunity/potential sites just to help orient people.

Is this okay with you?
