Hi John, I'm sorry to do this but I have to reschedule tomorrow's meeting. Can we reschedule it for Wednesday or Thursday afternoon?

I was finally able to meet with Penny on the package yesterday (Aaron also in the meeting). I'd like to meet with you and if Liz is available also--not huge changes but the County Building is an issue and we have a suggested fix. How does later this afternoon work for you?

[Text Box: T]hanks to all those who attended our first public meeting on July 25. The study team received a lot of invaluable feedback and perspectives on what residents want to see in the Route 7 corridor.

We heard concerns about predictable travel times, pedestrian access, bike amenities, and transit that supports the mixed-use development slated for the corridor. The presentation boards<<http://route7corridorstudy.com/wp-content/uploads/2013/08/allboardslow.pdf>>

and slides<<http://route7corridorstudy.com/wp-content/uploads/2013/08/presentation072513.pdf>>

from the meeting can be downloaded from our project site<<http://route7corridorstudy.com/>>.

Please mark your calendars and plan to join us for our second public meeting:
