John,

I agree and believe this will be especially helpful if it can convene prior to the Transportation Charrette. I'll coordinate a meeting if you and staff can come up with a few dates. My availability is pretty good with the exception of Thursday afternoons.

Thanks,
Aaron

Thanks Aaron. Lets invite him in to a briefing with the staff as well as you and me to bring him up to speed on where we stand in the process.

Best,
John

Mason District Supervisor
Fairfax County Board of Supervisors

Dear Penny,

Thank you very much for your letter of October 17, 2013 regarding the Seven Corners Land Use and Transportation Task Force and specifically, your invitation to me of becoming a member of the Seven Corners Visioning Land Use and Transportation Task Force as a result of the vacancy created by the upcoming relocation of Mr. Paul Byrtus.

This issue is of significant importance to me, the Sleepy Hollow Citizens Association and the entire Mason District residential and economic community and I applaud you for implementing these critical actions.

As such, I graciously accept your invitation and look forward to working with you, the other members of the task force and picking up where Mr. Byrtus has left off.

Thank you for your confidence and the opportunity to participate.

Best regards,

Steve Tillman
Immediate Past President
Sleepy Hollow Citizens Association
