Subject: Re: Seven Corners Task Force - Review of Network Concept #5

Aaron/Joanne:

Lets send it along with the Minutes and Agenda unless there is a reason to get it out to the group sooner.

JT

Subject: Seven Corners Task Force - Review of Network Concept #5

Hi Aaron, Can you please distribute this to the Task Force. – thanks JoAnne

Seven Corners Task Force,

At the December 12, 2013 meeting, FCDOT and its consultant presented six interchange concepts to improve the Seven Corners interchange. FCDOT recommended concepts 2 (Couplet), 4 (Two Half Diamond Interchanges), and 6 (Jughandle). The Task Force recommended to FCDOT that it pursue a modified version of concept 5 (Four Corners).

Please review the explanation and proposed option provided by FCDOT. If you have any questions, please contact Michael Garcia at FCDOT, michael.garcia3@fairfaxcounty.gov
