In a stroke of luck, the group previously reserved to use the conference room has cancelled and it is now available for the task force.

I'll send out a notification momentarily.

John,

This past meeting was the last when my class interferes with the beginning of the meeting. I will be available in future meetings to ensure it is distributed around the room.

Aaron

P.S. I will send out the notification about the 29<sup>th</sup> and the ensuing work plan once I have confirmation that we have room availability.

There were 11 Task Force members there. I think I recall everyone.

Thanks Aaron--looks like 5-6 of our TF members didn't sign in and the 6 of the staff except for Joanne. Next time I'll make a comment about it at the beginning of the meeting.
