Good morning John!

Both meetings will be in the Council Chambers – City Hall at 7PM. It will be televised and there are computers and screens for your PowerPoint.

Jim and I should get on the phone and run down what the City Council and Planning Commission are going to need.

John,

Just got out of a staff meeting. Jim would like us to plan two briefings. One on August 4 for the Planning Commission, and some of our staff and commissions. The other meetings would be Sept. 15 for the City Council.

I explained that you guys wanted to wait till the fall, but Jim's thought was to offer the City the opportunity to give any input now rather than later.

I think Mike and you can do an adequate job briefing everyone. But if you want more staff (like OCR), let me know.

Thanks,
LB

John,

That was some meeting last night!

What about the possibility of doing a Combined Work Session Briefing with our City Council and Planning Commission on Sept. 15 or Oct. 6. Can we do a PowerPoint presentation? (15 minute presentation with a 15 minute Q&A) We need bring the Council up to speed on what you are sending to the Fairfax Planning Commission.

Thanks,
LB
