Subject: Seven Corners Plan Amendment Presentation to BC7RC

Hi all,

BC7RC requested a presentation on the Seven Corners Plan Amendment at their next meeting on **August 19, 2014 @ 7:30pm**. I would imagine that we spend about 15 minutes for the presentation with time for questions afterwards. It should be very similar to the presentation given tonight to the Mason District Land Use Committee and to the Falls Church Board on 8/4.

However, they are particularly interested in how this plan was designed to revitalize the area. I.e. did we develop a plan that could be implemented? What are the land owners saying about the plan recommendations? We should be prepared to discuss this set of questions. I know Kris gave them an overview of the transportation recommendations such as they were in December 2013. We probably need to briefly update them on the recommended network 'B' and on some of the other transportation maps/diagrams created as part of the analysis.

I'll send out a calendar invite.
