Thanks again for making the time to meet and brief our City Council last night on 7-Corners. That was very generous on your part, and we are grateful.

I thought the meeting went very well. We are excited about how your plan is going to assist us in our planning effort for the area.

I think we have an excellent working relationship, and we look forward to our continued cooperation with you.

We appreciate you and patient work you are doing. This is an critical are to revitalize.

Sincerely,

Loren
