**Attachments:** Seven Corners Task Force Meeting Draft Minutes May 2013.docx

John, Evelyn and Aaron, Attached for your review are the draft Minutes from the Seven Corners May 14<sup>th</sup> Task Force meeting. Please let me know if you have any corrections.

Evelyn, Please confirm your receipt of these draft Minutes by email within the next 2 business days, If I don't hear back from you I will contact you by telephone so I can be sure you receive them in advance of the next meeting.

John, At the May meeting Michael Flood mentioned that he'd like to come back to a future meeting of the Task Force to present NVTC alternatives and get their preferences for transit on Rte. 7. We have the transportation consultants coming to present Phase I, Existing Conditions at the July 11<sup>th</sup> TF meeting. Would you like to invite Mr. Flood back that night and make it a transportation themed night?

Aaron, Do we have a room reserved for July 11<sup>th</sup>? Also, we may need an August meeting and John and I discussed moving it up a week, which would be Tuesday, August 6<sup>th</sup> at 7 pm. Could you check if there is a room available and reserve it for us?

Thanks everyone, Liz

**Elizabeth Hagg, Deputy Director**
