Hi John,
Do you need anything to assist with the two upcoming community presentations?

1. **10/7 - Mason District Council (MDC) Meeting** – Liz, Bernie and I thought that the best set up for this meeting is to have you give the same presentation you gave to the City of Falls Church council and then let MDC open it up for community questions. Staff will have a whole bunch of back up slides to assist with responding to their questions (including the transportation presentation that Kris gave to the City of Falls Church as well as other slides and graphics on the concept plan, urban design, etc..)
2. **10/8 - BC7RC Meeting** – Barbara and Liz will be there with a projector. Do you want the same City of Falls Church presentation for that meeting also? I can get it loaded on the computer in advance.

Let me know if you are all good with this.
