Just one addition,

Administrative Items

Minutes from both the April 8th and tonight's meeting will be reviewed at the May 13th Task Force meeting.

John Thillmann reminded the Task Force that he is continuing to reach out to adjacent communities to discuss the proposed land use concepts and that members are welcome to join him at these meetings. He reported that he met with the Holly Brooke (Condominium) Association on Monday evening April 28th.and that they were in general supportive of the Task Force efforts. They also expressed an interest in seeing the area improved with new housing, retail and traffic improvements.
