Thanks Joanne--looks good, and will be excellent when the last couple of plan additions are added.

Attached is the latest version formatted to some degree. I've left space for pics and images – I'm still trying locate everything.

Liz, do you know where I can find more images of the first vision workshop in May 2012. All I can find are pictures of the speakers, not people working at tables.

Any other edits would be appreciated. I'm trying to wrap up by early afternoon tomorrow.

Thanks, JoAnne
