The proposed. But if its close to the August numbers that is fine as I'm going to generalize it.

Sorry, just to be clear do you just need Existing Data or Existing and Proposed? The existing counts and sqft is correct on that spreadsheet from 8/12 but I believe the proposed has been revised since then.

Hi Joanne:
Could you please send me a pdf of the latest chart of the "owners pre-existing land and buildings with unit count" that you sent to me on August 12th. If it hasn't changed then I'll use that one for tomorrows meeting.
Best,
JT
