Subject: RE: Seven Corners Task Force September 9 Agenda

Dear John,

As I mentioned to you yesterday, professional obligations will keep me in Alexandria tonight, although I plan to be at the remaining task force meetings. I know this is a critical time for the Plan, which I strongly support, so I regret not attending tonight.

I would like to note my position on the Sears site decision item. If it is appropriate to share this with the Task Force, I would appreciate it.

Of the Sears site options circulated by staff, I think option 4 is the optimal option because it offers both the mix of uses desired by the community and identified as a general goal for the plan area and because it offers flexibility regarding the amount retail. I can support the other options if the Task Force chooses a different option.

Have a good meeting!

Karl
