Hi Lynn:
As per our earlier conversation today, I'm pleased to make myself available to meet with the Villages of Falls Church Condo. Assn. Board to give them a status briefing on the efforts of the 7 Corners Land use and Transportation Task Force's progress. I'm Co-Chair of the Task Force and could do a briefing and answer any questions they might have. Depending on the time available it could be short and to the point or longer with more detail if they wish.
Regards
John Thillmann
