Loren:

Might make sense if you all can get it on everyone's schedule. I assume that transportation issues are likely to dominate so Tom Besiadney should be involved but that it Pennys call. I'd call Aaron and talk with him about it as soon as you can though.

Best,
John

John,

FYI ... wanted to give you a heads up. The City Manager and Mayor are thinking about doing a briefing the end of August with Penny Gross, and or FFX staff. They would like to help lay the ground work for the City Council's Sept. 15 meeting.

Any thoughts?
