Penny:

Jim McIlvaine's brother called me on Jim's behalf as he is recovering from Heart Surgery and asked if I would let Dick Knapp with Folger Pratt who is their partner in the Sears land serve. I told him that it was your call not mine but that it was of course OK for him to attend the meetings, but not sit at the Task Force table unless and until I got an OK from you. So, now that I have your concurrence and since he will be there tonight, I'll tell the TF that because of Jim's surgery you would like Dick Knapp to fill in for Jim's remainder of the TF's term. I'll also tell Dick that he needs to be brought up to speed on where we are and have Liz David, Joanne Fiebe and the transportation staff give him a background briefing.

OK on the land Use recommendations and outreach via your TV time.
Best,
John

Yes, to Dick Knapp, but I am not sure anyone has been in touch with him directly.

Seven Corners is on my list for a TV show when the recommendations are ready, but before comp plan process.

Hi Penny:

We have a meeting tonight and will hold public comment period as well. I'm checking on two things;

1) have you decided to allow Dick Knapp (Folger Pratt) to fill in for Jim McIlvaine (as I told you I'm OK with it--but it is clearly your call)

2) have you given any thought to a 7 Corners topic for your TV time.

I'm starting to meet with surrounding HOA's (Villages of Falls Church on March 26) to give them a heads up on what the Task Force is developing as part of an attempt to clue people in so we don't get comments like "I was never informed" at the Mason District Land Use Committee and Planning Commission Hearing. I'm also arranging to get time on the Mason land Use Committee agenda in April/May for Mary Ellen, Liz and myself to inform them of the Task Force activities and to bring them into the process a little bit so that when we go for their approval they will have been pre briefed.
