Subject: SE Quad Issue/Task Matrix - updated
Attachments: Southeast Quadrant tasks 11-18-2013.docx

To all,

Attached please find the updated SE Quad issues/tasks list based upon the meeting yesterday. The next "summit" will be held in the beginning of January.

Aaron, can you please forward to Karen Radley and her GM. I do not have their email addresses.

Also, I believe that these are the correct e-mails of the attendees and those who should be invited to the next summit.

Barbara
