## GREETINGS FROM THE BOARD OF HRVCA

Holmes Run Valley Citizens Association (HRVCA) is a non-profit and non-partisan organization of neighbors dedicated to sharing information relevant to the lives and property of homeowners and residents, making the views of the community known to local and state authorities, and taking actions to improve the common good and general welfare of residents. Ours is a neighborhood comprised of about 600 homes of different ages, sizes, styles, and upgrades. While we are not a formalized home-owners association with an architectural board and restrictions, we all have a stake in preserving and enhancing our property values and making the community safe, attractive, and welcoming.

Holmes Run Valley has a rich history, once part of the 1685 Ravensworth estate of the Fitzhugh family, who raised livestock, cultivated apples and tobacco, and maintained a grist mill. In 1915 the Syd Byrne farm was conveyed to William Wilberforce Thomas and became the Valleybrook Dairy Farm, which was subdivided and developed in the 1950's into much of what is our layout today. A map depicting our boundaries, the Association bylaws, association meeting notes, and a copy of this Hot Sheet are available at [holmesrunvalley.org](http://holmesrunvalley.org).

This Hot Sheet is one of several initiatives to reinforce our community's reputation as a pleasant place to live while appealing to prospective buyers. You can help by picking up litter in the park and along streets as you walk; keeping culverts and rain drainage areas mowed and free of leaves, overgrowth, and trash, and joining [Friends of Holmes Run](#) cleanups. Please plan to attend the spring and fall Citizens Association meetings and join Nextdoor.com and the [hrvca2@googlegroups.com](mailto:hrvca2@googlegroups.com) Listserve to stay informed and connected. We hope you will celebrate National Night Out, stop by the Little Free Libraries on Rose Lane, partake of the food trucks; serve as a Neighborhood Watch Block Captain; and please greet, check-in on, and help neighbors, especially during the pandemic.
